**ORDER**

AND NOW, this 7th day of January, 2021, upon consideration of the pretrial discovery motions filed by defendants Kevin Coles, Devin Dickerson, Torey White, Jerell Adgebegan, Nicholas Preddy, and Johnnie Jenkins-Armstrong, as well as the parties' briefs in support of and in opposition thereto, and for the reasons set forth in the accompanying memorandum of today's date, it is hereby ORDERED that:

1. White's, Preddy's, and Coles' motions (Docs. 590, 652, 679), joined in by Jenkins-Armstrong, (see Doc. 686 at 1), seeking disclosure of exculpatory and impeachment material are GRANTED to the extent that the following disclosure schedule shall apply to all defendants in the above-captioned action:
  - a. The government shall immediately produce all Brady material in its actual or constructive possession, or in the actual or constructive possession of its agents. The government shall continue to produce such material as it becomes available, or as the exculpatory value of existing material becomes apparent, and shall exercise its best efforts to do so within 14 days of uncovering the material or its exculpatory value.

- b. Should the government have any doubt as to the exculpatory nature of material in its possession, it shall promptly submit the material to the court for *in camera* review.
  - c. To the extent exculpatory material may also contain Giglio or Jencks material, the government may redact that material from its disclosures. The redacted material must then be produced before trial as set forth in paragraph 1(d) below.
  - d. The government shall produce all Giglio material no later than 30 days before trial.
- 2. Preddy's and Coles' motions (Docs. 652, 679), joined in by Jenkins-Armstrong, (see Doc. 686 at 1), are GRANTED to the extent that the government shall provide notice of its intent to introduce evidence under Federal Rules of Criminal Procedure 404(b) and 609(b) no later than 30 days before trial.
  - 3. White's, Preddy's, Adgebegan's, and Coles' motions (Docs. 580, 652, 673, 679) are DENIED to the extent that they seek disclosure of codefendants' or unindicted coconspirators' statements, except to the extent those statements contain material subject to disclosure under paragraphs 1(a) or 1(d) above.
  - 4. Preddy's motion (Doc. 652) for a list of government witnesses and for a list of informants is DENIED.
  - 5. White's motion (Doc. 672) for production of Brady material regarding jailhouse informant or "snitch" witnesses, joined in by Coles, (see Doc. 700 ¶ 2), is GRANTED in part and DENIED in part as more fully set forth at pages 22 through 28 of the court's memorandum.
  - 6. White's motion (Doc. 670) to permit investigation of cell phones is deemed WITHDRAWN to the extent it pertains to him. To the extent that motion is joined by Coles as pertains to his own cell phones, (see Doc. 700 ¶ 3), the motion is GRANTED. Adgebegan's motion (Doc. 673) for discovery of his three cell phones is also GRANTED.
  - 7. Coles' motion (Doc. 679) for the results of an examination of Barney's cell phone conducted by the government is also GRANTED.

8. Adgebesan's motion (Doc. 673) for discovery of the contents of two cell phones seized from codefendant Kenyatta Corbett and a black Huawei cell phone seized from Joshua Davis, joined in by Coles, (see Doc. 700 ¶ 5), is GRANTED as more fully set forth at pages 30 through 31 of the court's memorandum.
9. White's, Adgebesan's, and Coles' motions (Docs. 588, 673, 679) for statements of specified codefendants and unindicted coconspirators are DENIED except to the extent those statements or interviews contain material subject to disclosure under paragraphs 1(a) or 1(d) above.

The parties shall meet and confer and attempt to resolve these issues and, if not resolved, defendants may renew their motions.

15. The remainder of Coles' motion (Doc. 679) is GRANTED in part and DENIED in part as follows:
- a. Coles' motion is DENIED without prejudice to the extent it seeks a copy of his criminal record, the "native Oxygen information" missing from an analysis of his cell phone, and the missing page of an expert report. The parties shall meet and confer and attempt to resolve these issues and, if not resolved, Coles may renew his motion.
  - b. Coles' motion is DENIED as moot to the extent it seeks expert reports and analysis already disclosed.
  - c. Coles' motion is GRANTED to the extent it seeks discovery of any reports of tests or examinations related to the serious bodily injury allegation in Count Eighteen.   - e.
